# FORGING FLANGES

Sanghvi International is an ISO 9001 – 2015 & PED certified company by TUV NORD. we would like to introduce ourselves as a manufacturer of Pipe Line Flanges and Fittings. Our products are manufactured as per JIS / ISS / BSS / DIN / ASTM / ASME and customer's drawings and specifications. In case of forging flanges we can manufacture up to 1/2" to 24" NB and incase of plate flanges we can manufacture up to 48" NB. These are also export with third party inspection. we have our factory located at Boisar Maharashtra India.

Sanghvi International is one of the best manufacturer of steel Flanges in order to supply high quality & testified material/products to our customers at competitive rates. We have in-house testing laboratory for chemical, physical, mechanical, ultrasonic, micro, IGC and we also outsource any other related test from govt. approved Laboratories. We conduct third party inspections of our product on regular basis. We would appreciate if Sanghvi International is enlisted on your record as one of your valued Vendor. Solely to have an everlasting & fruitful relationship with you.

UNBREAKABLE PERFORMANCE, UNMATCHED PRECISION

Sanghvi International also manufactures high-pressure pipe fittings such as pipe nipples, O-lets, and forged fittings (socket weld/threaded). All products are manufactured in accordance with national and international quality standards. We produce pipe nipples, O-lets, elbows, tees, bushes, and various forged fittings in a wide range of sizes, specifications, types, dimensions, and grades.

We also offer customized specifications as per client requirements – all at the most competitive prices. With a strong commitment to precision engineering, we ensure every product delivers reliability and long service life. Our advanced manufacturing facilities and stringent quality checks guarantee unmatched performance in demanding applications.

Type	Pipe Flange
Size	1/2" (15 NB) to 24" (600 NB)
Class	150 LBS, 300 LBS, 600 LBS, 900 LBS, 1500 LBS, 2500 LBS, DIN Standard ND-6, 10, 16, 25, 40 Etc.
Standard	ANSI B16.5 DIN Standard, JIS Standard, EN1092, BS 4504
Coating	Anti-Rust Paint, Oil Black Paint, Yellow Transparent, Zinc Plated, Hot Dip Galvanized
In Form	SORF, WNRF, BLRF, SWR, LWN, LAP Joint, Threaded, Reducing, Spectacle, Etc.
Flange Face Type	Flat Face (FF), Raise Face (RF), Ring Joint (RJT)
Connection Type	Ring Type Joint, Lap-Joint Face, Raised Face, Flat Face, Large Male-Female, Small Male-Female, Large Tongue & Groove, Small Tongue & Groove
Grade	A105/ LF2 / 304L / 316L / 321 / 904L / F51 / F53 / Inconel - 600 / Inconel - 625 / Inconel - 825 / Hastalloy - C22 / Hastalloy - C276 / Alloy - 20 / Monel - 400/500 & Titanium

Type	Forged Fitting
Size	1/2" (15 NB) to 4" (100 NB)
Class	2000#, 3000#, 6000#
Class	ANSI B16.11, Custom Drawings
Coating / Surface Treatment	Anti-Rust Paint, Oil Black Paint, Yellow Transparent, Zinc Plated, Cold & Hot Dip Galvanized
In Form	Socket, Threaded
